Ralph Myhre Golf Course

Proudly Presents the "Hit and Sip" Women's Golf Clinics

6pm on Tuesday June 12 and June 26

The idea of these golf clinics is to offer a very casual atmosphere to introduce women to the game of golf. You will have the opportunity to try out hitting the ball while sipping wine, or lemonade, munching on some fruit, cheeses, crackers, and enjoying quality time with your friends in a beautiful setting.

Our PGA Professional will be on hand to introduce you to the very basics and give instruction based on your needs. There will be no structured lesson plan, so if you just want to sip and try smashing the ball a little bit just to see what it is all about, that is fine.

If you want to know all there is to know about the golf swing and want some one on one instruction from an experienced teacher, that is great too! All level golfers are welcome! “Never- evers” to seasoned golfers looking for a fun atmosphere to brush up on your swing or introduce friends to the game. Each clinic will last one hour and will be scheduled throughout the summer.

The first session will be on the driving range, and the second will be on the putting green with more to follow! The cost is $20 per session with all drinks, snacks, and instruction included. We will have clubs on hand to use for those who do not have them.

This first clinic is Tuesday June 12 so sign up today by calling (802) 443-5125 ext. 1 or stopping by the Ralph Myhre clubhouse.
